Governing Law and Jurisdiction	(a) Governing Law The Debenture Trust Deed and the Transaction Documents are governed by and construed in accordance with the laws of India. (b) Jurisdiction (i) The Parties agrees that the courts and tribunals in New Delhi shall have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Transaction Documents and that accordingly any suit, action or proceedings (together referred to as “Proceedings”) arising out of or in connection with the Transaction Documents may be brought in such courts or the tribunals and the Company irrevocably submits to and accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of those courts or tribunals. (ii) Without prejudice to sub-section (b)(i) above, all claims, differences or disputes between the Debenture Trustee and the Company, arising out of or in relation to the activities of the Debenture Trustee in the securities market shall be submitted to a resolution mechanism that includes mediation and/or conciliation and/or arbitration, in accordance with the procedure specified by the SEBI pursuant to the SEBI (Alternative Dispute Resolution Mechanism) (Amendment) Regulations, 2023 read with SEBI Master Circular for Online Resolution of Disputes in the Indian Securities Market dated July 31, 2023 (as updated from time to time) bearing reference no. SEBI/HO/OIAE/OIAE_IAD-3/P/CIR/2023/195 and guidance issued by the BSE and the relevant depositories from time to time. Provided that this sub-section shall not apply to any rights of the Debenture Holders which are to be exercised through the Debenture Trustee. (iii) The Company irrevocably waives any objection now or in future, to the laying of the venue of any Proceedings in the courts and tribunals at New Delhi and any claim that any such Proceedings have been brought in an inconvenient forum and further irrevocably agrees that a judgment in any Proceedings brought in the courts and tribunals at New Delhi shall be conclusive and binding upon them and may be enforced in the courts of any other jurisdiction, (subject to the laws of such jurisdiction) by a suit upon such judgment, a certified copy of which shall be conclusive evidence of such judgment, or in any other manner provided by law.

	(iv) The submission to the exclusive jurisdiction of the courts at New Delhi is for the benefit of the Debenture Trustee / Debenture Holders only and will not (and will not be construed so as to) limit the right of the Debenture Trustee / Debenture Holders to take proceedings in any other court of competent jurisdiction, nor shall the taking of proceedings by the Debenture Trustee / Debenture Holders in any one or more jurisdictions preclude the taking of proceedings by the Debenture Trustee / Debenture Holders in any other jurisdiction (whether concurrently or not) if and to the extent permitted by Applicable Law. (v) The Company hereby consents generally in respect of any Proceedings arising out of or in connection with the Transaction Documents to the giving of any relief or the issue of any process in connection with such Proceedings including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such Proceedings. (vi) To the extent that the Company may in any jurisdiction claim for itself or its assets immunity from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process and to the extent that in any such jurisdiction there may be attributed to itself or its assets such immunity (whether or not claimed), the Company hereby irrevocably agrees not to claim and hereby irrevocably waives such immunity.

6.2 MANAGEMENT PERCEPTION OF RISK FACTORS:

The following are the risks relating to the Company, the Debentures and the market in general envisaged by the management of the Company. Potential Investors should carefully consider all the risk factors stated in this Private Placement Offer cum Application Letters for evaluating the Company and its business and the Debentures before making any investment decision relating to the Debentures. The Company believes that the factors described below represent the principal risks inherent in investing in the Debentures. Potential Investors should also read the detailed information set out elsewhere in this Private Placement Offer cum Application Letters and reach their own views prior to making any investment decision.

GENERAL RISKS

RISKS IN RELATION TO THE NON-CONVERTIBLE SECURITIES:

(a) Repayment is subject to the credit risk of the Issuer.

Potential Investors should be aware that receipt of the principal amount, (i.e. the redemption amount) and any other amounts that may be due in respect of the Debentures is subject to the credit risk of the Issuer. Potential Investors assume the risk that the Issuer will not be able to satisfy their obligations under the Debentures. In the event that bankruptcy proceedings or composition, scheme of arrangement or similar proceedings to avert bankruptcy are instituted by or against the Issuer, the payment of sums due on the Debentures may not be made or may be substantially reduced or delayed.

(b) The secondary market for non-convertible securities may be illiquid. Limited or sporadic trading of non-convertible securities of the issuer on the stock exchanges.

The non-convertible securities may be very illiquid and no secondary market may develop in respect thereof. Even if there is a secondary market for the non-convertible securities, it is not likely to provide significant liquidity. Potential Investors may have to hold the Debentures until redemption to realize any value. Further, as of date, we are not aware of any limited or sporadic trading of the non-convertible securities of the Issuer on stock exchanges and therefore, this would not be applicable.

(c) Credit Risk & Rating Downgrade Risk; Regulatory Capital Risk

The Rating Agency has assigned the credit ratings to the Debentures. In the event of deterioration in the financial health of the Issuer, there is a possibility that the rating agency may downgrade the rating of the Debentures. In such cases, potential Investors may incur losses on revaluation of their investment or make provisions towards sub-standard/ non-performing investment as per their usual norms.

(d) Changes in interest rates may affect the price of Debentures.

All securities where a fixed rate of interest is offered, such as this Issue, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e. when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the pricing of the Debentures.

(e) Tax Considerations and Legal Considerations:

Special tax considerations and legal considerations may apply to certain types of investors. Potential Investors are urged to consult with their own financial, legal, tax and other advisors to determine any financial, legal, tax and other implications of this investment.

(f) Accounting Considerations:

Special accounting considerations may apply to certain types of taxpayers. Potential Investors are urged to consult with their own accounting advisors to determine implications of this investment.

**RISKS IN RELATION TO THE SECURITY CREATED IN RELATION TO THE DEBT SECURITIES.
FURTHER, ANY RISKS IN RELATION TO MAINTENANCE OF SECURITY COVER OR FULL
RECOVERY OF THE SECURITY IN CASE OF ENFORCEMENT**

(g) Security may be insufficient to redeem the Debentures

In the event that the Company is unable to meet its payment and other obligations towards Investors under the terms of the Debentures, the Debenture Trustee may enforce the Security as per the terms of security documents, and other related documents executed in relation to the Debentures. The Debenture Holder(s)' recovery in relation to the Debentures will be subject to (i) the market value of such Security (ii) finding willing buyers for the Security at a price sufficient to repay the Debenture Holder(s)' amounts outstanding under the Debentures. There is a risk that the value realised from the enforcement of the Security may be insufficient to redeem the Debentures.

(h) Material changes in regulations to which the Issuer is subject could impair the Issuer's ability to meet payment or other obligations.

The Issuer is subject generally to changes in Indian law, as well as to changes in government regulations and policies and accounting principles. Any changes in the regulatory framework could adversely affect the profitability of the Issuer or its future financial performance, by requiring a restructuring of its activities, increasing costs or otherwise.

(i) Legality of Purchase

Potential Investors in the Debentures will be responsible for the lawfulness of the acquisition of the Debentures, whether under the laws of the jurisdiction of their incorporation or the jurisdiction in which they operate or for compliance by that potential Investor with any law, regulation or regulatory policy applicable to it.

(j) Political and Economic Risk In India

The Issuer operates only within India and, accordingly, all of its revenues are derived from the domestic market. As a result, it is highly dependent on prevailing economic conditions in India and its results of operations are significantly affected by factors influencing the Indian economy. An uncertain economic situation, in India and globally, could result in a further slowdown in economic growth, investment and consumption. A slowdown in the rate of growth in the Indian economy could result in lower demand for credit and other financial products and services and higher defaults. Any slowdown in the growth or negative growth of sectors where the Issuer has a relatively higher exposure could adversely impact its performance. Any such slowdown could adversely affect its business, prospects, results of operations and financial condition.

6.3 RISKS RELATED TO THE BUSINESS OF THE ISSUER

(a) ***A portion of our loans are unsecured. If borrowers under unsecured loans default and we are unable to recover such receivables in a timely manner or at all, our financial condition, results of operations and cash flows may be adversely affected***

Since a portion of our loans are unsecured, our ability to realize the amounts due to us would be restricted to standard collection processes and/or initiating legal proceedings for recovery, in the event of default by such customers. We cannot assure that we would be able to recover such amounts in a timely manner, or at all. Legal proceedings that we initiate could be time consuming and increase our expenses. Any failure on our part to recover the amounts due to us could have an adverse effect on our results of operations and financial condition.

Further, upon the occurrence of an event of default, our ability to realise the amounts due would be restricted to initiating legal proceedings for recovery. There can be no guarantee as to the length of time it could take to conclude such legal proceedings or for the legal proceedings to result in a favorable decision for us. Moreover, since these loans are uncollateralized, there can be no assurance that we will be able to fully recover the outstanding due, or at all, even in the event of a favorable decision for us which could have an adverse effect on our results of operations and financial condition.

(b) ***Our inability to recover the full value of collateral or amounts outstanding under defaulted loans in a timely manner or at all could adversely affect our results of operations .***

For our secured financing arrangements, we sanction an amount of credit which is based on the nature & value of collateral which we take as a security. We regulate this amount through restrictions on the loan to value (LTV) ratio of each financing. The primary security for these loans is the underlying property and the value of this security is significantly dependent on the conditions prevalent in the real estate market at that time. The value of the collateral, however, may decline during the term of the loan for a variety of reasons, including adverse market conditions, an economic downturn or a downward movement in real estate prices. As a result, if our customers default, we may receive less money from liquidating collateral than is owed under the relevant financing facility, and, in turn, incur losses, even where we successfully repossess and liquidate the collateral. While we require some borrowers to provide a guarantee on the basis of their profile, we may not be able to enforce or collect the amount owed under such guarantee, if at all. In addition, home construction loans may be exposed to risks related to time and cost overruns and related factors. Factors such as third party performance risks, delays in obtaining the requisite approvals, environmental risks, changes in market conditions, changes in government or regulatory policies, permits, licenses or certifications from the relevant authorities as well as shortages of, or material increases in prices of, construction materials, equipment, technical skills and labor, or other unforeseeable problems and circumstances may lead to delays in, or prevent the completion of the

homes and result in costs substantially exceeding those originally budgeted, which may affect our borrowers ability to repay their loans.

(c) ***The Issuer is exposed to certain political, regulatory and concentration of risks***

Due to the nature of its operations, the Issuer is exposed to political, regulatory and concentration risks. The Issuer believes a mitigant to this is to expand its geographical reach and may consequently expand its operations other states. If it is not effectively able to manage such operations and expansion, it may lose money invested in such expansion, which could adversely affect its business and results of operations.

(d) ***We depend on the services of our management team and employees and our inability to recruit and retain them may adversely affect our business .***

Our future success depends substantially on the continued service and performance of members of our management team and employees and also upon our ability to manage key issues relating to human resources such as selecting and retaining key managerial personnel, developing managerial experience, addressing emerging challenges and ensuring a high standard of client service. There is intense competition for experienced senior management and other qualified personnel, particularly office managers, field executives and employees with local knowledge. If we cannot hire additional or retain existing management personnel and employees, our ability to expand our business will be impacted and our revenue could be adversely affected. Failure to train and motivate our employees properly may result in an increase in employee attrition rates, require additional hiring, divert management resources, adversely affect our origination and collection rates, increase our exposure to high-risk credit and impose significant costs on us.

(e) ***Issuer requires certain statutory and regulatory approvals for conducting business and failure to obtain or retain them in a timely manner, or at all, may adversely affect operations.***

NBFCs in India are subject to strict regulation and supervision by the RBI. The Issuer requires certain approvals, licenses, registrations and permissions for operating its business, including registration with the RBI as an NBFC pursuant to Section 45-IA of the RBI Act, 1934. Further, such approvals, licenses, registrations and permissions must be maintained/renewed over time, applicable requirements may change, and the Issuer may not be aware of or comply with all requirements all of the time. Additionally, RBI has issued detailed directions on prudential norms inter alia prescribing guidelines on income recognition, asset classification and provisioning requirements applicable to NBFCs, exposure norms, disclosures in the balance sheet, requirement of capital adequacy, restrictions on investments in land and building and unquoted shares besides others. In particular, the Issuer is required to obtain a certificate of registration for carrying on business as a NBFC that is subject to numerous conditions. In addition, its branches are required to be registered under the relevant shops and establishments laws of the states in which they are located. The shops and establishments laws regulate various employment conditions, including working hours, holidays and leave and overtime compensation. If the Issuer fails to obtain or retain any of these approvals or licenses, or renewals thereof, in a timely manner, or at all, its business may be adversely affected. If the Issuer fails to comply, or a regulator claims that it has not complied with any of these conditions, the Issuer's certificate of registration may be suspended or cancelled, and it shall not be able to carry on such activities. If the Issuer fails to comply with the NBFC Directions and fails to maintain the status of NBFC it may attract penal provisions under the RBI Act, 1934 for non-compliance. The penal action can also result in RBI cancelling the Certificate of Registration issued to the NBFC.

(f) ***Economic Risk in India:***

The Issuer operates only within India and, accordingly, all of its revenues are derived from the domestic market. As a result, it is highly dependent on prevailing economic conditions in India and

its results of operations are significantly affected by factors influencing the Indian economy. An uncertain economic situation, in India and globally, could result in a further slowdown in economic growth, investment and consumption. A slowdown in the rate of growth in the Indian economy could result in lower demand for credit and other financial products and services and higher defaults. Any slowdown in the growth or negative growth of sectors where the Issuer has a relatively higher exposure could adversely impact its performance. Any such slowdown could adversely affect its business, prospects, results of operations and financial condition.

6.4 TRADING OF THE NCDS MAY BE LIMITED BY TEMPORARY EXCHANGE CLOSURES, BROKER DEFAULTS, SETTLEMENT DELAYS, STRIKES BY BROKERAGE FIRM EMPLOYEES AND DISPUTES.

The Indian stock exchanges have experienced temporary exchange closures, broker defaults, settlement delays and strikes by brokerage firm employees. In addition, the governing bodies of the Indian stock exchanges have from time to time imposed restrictions on trading in certain securities, limitations on price movements and margin requirements. Furthermore, from time to time, disputes have occurred between listed companies and stock exchanges and other regulatory bodies, which in some cases may have had a negative effect on market sentiment.

6.5 REFUSAL OF LISTING OF ANY SECURITY OF THE ISSUER DURING LAST THREE YEARS BY ANY OF THE STOCK EXCHANGES IN INDIA OR ABROAD

As on the date of this Key Information Document, no stock exchange in India or abroad has refused listing of any equity or debt security issued by the Issuer.

6.6 IN CASE OF OUTSTANDING DEBT INSTRUMENTS OR DEPOSITS OR BORROWINGS:

ANY DEFAULT IN COMPLIANCE WITH THE MATERIAL COVENANTS SUCH AS CREATION OF SECURITY

(IF ANY) AS PER TERMS AGREED: As on the date of this Key Information Document, the Issuer has not committed any default in compliance with the material covenants as per terms agreed in respect of any outstanding borrowings.

DEFAULT IN PAYMENT OF INTEREST: As on the date of this Key Information Document, the Issuer has not committed any default in payment of interest in respect of any outstanding borrowings.

DEFAULT IN REDEMPTION OR REPAYMENT: As on the date of this Key Information Document, the Issuer has not committed any default in redemption or repayment in respect of any outstanding borrowings.

NON-CREATION OF DEBENTURE REDEMPTION RESERVE: Pursuant Rule 18 (7) of the Companies (Share Capital and Debentures) Rules, 2014, an NBFC is not required to maintain debenture redemption reserve for debentures issued on a private placement basis.

DEFAULT IN PAYMENT OF PENAL INTEREST WHEREVER APPLICABLE: As on the date of this Key Information Document, the Issuer has not committed any default in payment of interest penal in respect of any outstanding borrowings.

OTHERS: A failure to observe the covenants under the Issuer's financing arrangements or to obtain necessary consents required thereunder may lead to the termination of the Issuer's credit facilities, acceleration of all amounts due under such facilities and the enforcement of any security provided. Any acceleration of amounts due under such facilities may also trigger cross default provisions under the Issuer's other financing agreements. If the obligations under any of the Issuer's financing documents are accelerated, the Issuer may have to dedicate a substantial portion of the Issuer's

cash flow from operations to make payments under such financing documents, thereby reducing the availability of cash for the Issuer's working capital requirements and other general corporate purposes. Further, during any period in which the Issuer is in default, the Issuer may be unable to raise, or face difficulties raising, further financing. Any of these circumstances could adversely affect the Issuer's business, credit rating and financial condition, cash flows and results of operations. If the Issuer fails to meet its debt service obligations or covenants provided under the financing agreements, the relevant lenders could declare the Issuer to be in default under the terms of the Issuer's agreements or accelerate the maturity of the Issuer's obligations. The Issuer cannot assure the Investors that, in the event of any such acceleration, the Issuer will have sufficient resources to repay the borrowings.

SECTION 7: OTHER INFORMATION AND APPLICATION PROCESS

The Debentures being offered as part of the Issue are subject to the provisions of the Act, the Memorandum and Articles of Association of the Issuer, the terms of the Disclosure Document(s), Application Form and other terms and conditions as may be incorporated in the Transaction Documents.

7.1 Mode of Transfer/Transmission of Debentures

The Debentures shall be transferable freely; however, it is clarified that no Investor shall be entitled to transfer the Debentures to a Person who is not entitled to subscribe to the Debentures. The Debenture(s) shall be transferred and/or transmitted in accordance with the applicable provisions of the Act and other applicable laws. The Debentures held in dematerialized form shall be transferred subject to and in accordance with the rules/procedures as prescribed by NSDL and CDSL and the relevant DPs of the transferor or transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, amounts due will be paid/redemption will be made to the Person, whose name appears in the Register of Debenture Holders maintained by the R&T Agent as on the Record Date, under all circumstances. In cases where the transfer formalities have not been completed by the transferor, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer. The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Debentures held in dematerialized form. The seller should give delivery instructions containing details of the buyer's DP account to his DP.

7.2 Debentures held in Dematerialized Form

The Debentures shall be held in dematerialized form and no action is required on the part of the Debenture Holder(s) for redemption purposes and the redemption proceeds will be paid by cheque/EFT/RTGS to those Debenture Holder(s) whose names appear on the list of beneficiaries maintained by the R&T Agent. The names would be as per the R&T Agent's records on the Record Date fixed for the purpose of redemption. All such Debentures will be simultaneously redeemed through appropriate debit corporate action.

The list of beneficiaries as of the relevant Record Date setting out the relevant beneficiaries' name and account number, address, bank details and DP's identification number will be given by the R&T Agent to the Issuer. If permitted, the Issuer may transfer payments required to be made in any relation by EFT/RTGS to the bank account of the Debenture Holder(s) for redemption payments.

7.3 Debenture Trustee for the Debenture Holder(s)

The Issuer has appointed Catalyst Trusteeship Limited to act as trustee for the Debenture Holder(s). The Issuer and the Debenture Trustee intends to enter into the Debenture Trustee Agreement and the Debenture Trust Deed *inter alia*, specifying the powers, authorities and obligations of the Debenture Trustee and the Issuer. The Debenture Holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of its agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the Debentures as the Debenture Trustee may in its absolute discretion deem necessary or require to be done in the interest of the Debenture Holder(s). Any payment made by the Issuer to the Debenture Trustee on behalf of the Debenture Holder(s) shall discharge the Issuer *pro tanto* to the Debenture Holder(s). The Debenture Trustee will protect the interest of the Debenture Holder(s) in regard to the repayment of principal and yield thereon and they will take necessary action, subject to and in accordance with the Debenture Trustee Agreement and the Debenture Trust Deed, at the cost of the Issuer. No Debenture Holder shall be entitled to proceed directly against the Issuer unless the Debenture Trustee, having become so bound to proceed, fails to do so. The Debenture Trustee Agreement and the Debenture Trust Deed shall more specifically set out the rights and remedies of the Debenture Holder(s) and the manner of enforcement thereof.

7.4 Sharing of Information

The Issuer may, at its option, but subject to applicable laws, use on its own, as well as exchange, share or part with any financial or other information about the Debenture Holder(s) available with the Issuer, with its subsidiaries and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither the Issuer nor its subsidiaries and affiliates nor their agents shall be liable for use of the aforesaid information.

7.5 Debenture Holder not a Shareholder

The Debenture Holder(s) shall not be entitled to any right and privileges of shareholders other than those available to them under the Act. The Debentures shall not confer upon the Debenture Holders the right to receive notice(s) or to attend and to vote at any general meeting(s) of the shareholders of the Issuer.

7.6 Modification of Debentures

The Debenture Trustee and the Issuer will agree to make any modifications in the Disclosure Document which, in the opinion of the Debenture Trustee, is of a formal, minor or technical nature or is to correct a manifest error.

Any other change or modification to the terms of the Debentures shall require approval by the Majority Debenture Holders.

For the avoidance of doubt, the following matters require the consent of Majority Debenture Holders, either by providing their express consent in writing or by way of a resolution at a duly convened meeting of the Debenture Holders as set out below:

- (a) Creating of any additional security; and
- (b) Amendment to the terms and conditions of the Debentures or the Transaction Documents.

7.7 Right to accept or reject Applications

The Board of Directors/Committee of Directors reserves its full, unqualified and absolute right to accept or reject any application for subscription to the Debentures, in part or in full, without assigning any reason thereof.

7.8 Notices

Any notice may be served by the Issuer/ Debenture Trustee upon the Debenture Holders through registered post, recognized overnight courier service, hand delivery or by facsimile transmission addressed to such Debenture Holder at its/his registered address, or facsimile number.

All notice(s) to be given by the Debenture Holder(s) to the Issuer/ Debenture Trustee shall be sent by registered post, recognized overnight courier service, hand delivery or email to the Issuer or to such Persons at such address as may be notified by the Issuer from time to time through suitable communication. All correspondence regarding the Debentures should be marked "Private Placement of Debentures".

Notice(s) shall be deemed to be effective (a) if delivered personally, when delivered; (b) if sent by courier or registered post acknowledgement due, 1 (One) Business Day after deposit with a courier/ or post office; and (c) if sent by electronic mail, forthwith in case no delivery failure is received.

SECTION 9: SPECIFIC RISK FACTORS

The following are the risks relating to the Company, the Debentures and the market in general envisaged by the management of the Company. Potential Investors should carefully consider all the risk factors stated in this Private Placement Offer cum Application Letters for evaluating the Company and its business and the Debentures before making any investment decision relating to the Debentures. The Company believes that the factors described below represent the principal risks inherent in investing in the Debentures. Potential Investors should also read the detailed information set out elsewhere in this Private Placement Offer cum Application Letters and reach their own views prior to making any investment decision.

9.1 GENERAL RISKS

RISKS IN RELATION TO THE NON-CONVERTIBLE SECURITIES:

(a) Repayment is subject to the credit risk of the Issuer.

Potential Investors should be aware that receipt of the principal amount, (i.e. the redemption amount) and any other amounts that may be due in respect of the Debentures is subject to the credit risk of the Issuer. Potential Investors assume the risk that the Issuer will not be able to satisfy their obligations under the Debentures. In the event that bankruptcy proceedings or composition, scheme of arrangement or similar proceedings to avert bankruptcy are instituted by or against the Issuer, the payment of sums due on the Debentures may not be made or may be substantially reduced or delayed.

(b) The secondary market for non-convertible securities may be illiquid. Limited or sporadic trading of non-convertible securities of the issuer on the stock exchanges.

The non-convertible securities may be very illiquid and no secondary market may develop in respect thereof. Even if there is a secondary market for the non-convertible securities, it is not likely to provide significant liquidity. Potential Investors may have to hold the Debentures until redemption to realize any value. Further, As of date, we are not aware of any limited or sporadic trading of the non-convertible securities of the Issuer on stock exchanges and therefore, this would not be applicable.

(c) Credit Risk & Rating Downgrade Risk; Regulatory Capital Risk

The Rating Agency has assigned the credit ratings to the Debentures. In the event of deterioration in the financial health of the Issuer, there is a possibility that the rating agency may downgrade the rating of the Debentures. In such cases, potential Investors may incur losses on revaluation of their investment or make provisions towards sub-standard/ non-performing investment as per their usual norms.

(d) Changes in interest rates may affect the price of Debentures.

All securities where a fixed rate of interest is offered, such as this Issue, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e. when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the pricing of the Debentures.

(e) **Tax Considerations and Legal Considerations:**

Special tax considerations and legal considerations may apply to certain types of investors. Potential Investors are urged to consult with their own financial, legal, tax and other advisors to determine any financial, legal, tax and other implications of this investment.

(f) **Accounting Considerations:**

Special accounting considerations may apply to certain types of taxpayers. Potential Investors are urged to consult with their own accounting advisors to determine implications of this investment.

9.2 RISKS IN RELATION TO THE SECURITY CREATED IN RELATION TO THE DEBT SECURITIES. FURTHER, ANY RISKS IN RELATION TO MAINTENANCE OF SECURITY COVER OR FULL RECOVERY OF THE SECURITY IN CASE OF ENFORCEMENT

(a) **Security may be insufficient to redeem the Debentures**

In the event that the Company is unable to meet its payment and other obligations towards Investors under the terms of the Debentures, the Debenture Trustee may enforce the Security as per the terms of security documents, and other related documents executed in relation to the Debentures. The Debenture Holder(s)' recovery in relation to the Debentures will be subject to (i) the market value of such Security (ii) finding willing buyers for the Security at a price sufficient to repay the Debenture Holder(s)' amounts outstanding under the Debentures. There is a risk that the value realised from the enforcement of the Security may be insufficient to redeem the Debentures.

(b) **Material changes in regulations to which the Issuer is subject could impair the Issuer's ability to meet payment or other obligations.**

The Issuer is subject generally to changes in Indian law, as well as to changes in government regulations and policies and accounting principles. Any changes in the regulatory framework could adversely affect the profitability of the Issuer or its future financial performance, by requiring a restructuring of its activities, increasing costs or otherwise.

9.3 LEGALITY OF PURCHASE

Potential Investors in the Debentures will be responsible for the lawfulness of the acquisition of the Debentures, whether under the laws of the jurisdiction of their incorporation or the jurisdiction in which they operate or for compliance by that potential Investor with any law, regulation or regulatory policy applicable to it.

9.4 POLITICAL AND ECONOMIC RISK IN INDIA

The Issuer operates only within India and, accordingly, all of its revenues are derived from the domestic market. As a result, it is highly dependent on prevailing economic conditions in India and its results of operations are significantly affected by factors influencing the Indian economy. An uncertain economic situation, in India and globally, could result in a further slowdown in economic growth, investment and consumption. A slowdown in the rate of growth in the Indian economy could result in lower demand for credit and other financial products and services and higher defaults. Any slowdown in the growth or negative growth of sectors where the Issuer has a relatively higher exposure could adversely impact its performance. Any such slowdown could adversely affect its business, prospects, results of operations and financial condition.

9.5 RISKS RELATED TO THE BUSINESS OF THE ISSUER

- (a) ***A portion of our loans are unsecured. If borrowers under unsecured loans default and we are unable to recover such receivables in a timely manner or at all, our financial condition, results of operations and cash flows may be adversely affected.***

Since a portion of our loans are unsecured, our ability to realize the amounts due to us would be restricted to standard collection processes and/or initiating legal proceedings for recovery, in the event of default by such customers. We cannot assure that we would be able to recover such amounts in a timely manner, or at all. Legal proceedings that we initiate could be time consuming and increase our expenses. Any failure on our part to recover the amounts due to us could have an adverse effect on our results of operations and financial condition.

Further, upon the occurrence of an event of default, our ability to realise the amounts due would be restricted to initiating legal proceedings for recovery. There can be no guarantee as to the length of time it could take to conclude such legal proceedings or for the legal proceedings to result in a favourable decision for us. Moreover, since these loans are uncollateralised, there can be no assurance that we will be able to fully recover the outstanding due, or at all, even in the event of a favourable decision for us which could have an adverse effect on our results of operations and financial condition.

- (b) ***Our inability to recover the full value of collateral or amounts outstanding under defaulted loans in a timely manner or at all could adversely affect our results of operations***

For our secured financing arrangements, we sanction an amount of credit which is based on the nature & value of collateral which we take as a security. We regulate this amount through restrictions on the loan to value (LTV) ratio of each financing. The primary security for these loans is the underlying property and the value of this security is significantly dependent on the conditions prevalent in the real estate market at that time. The value of the collateral, however, may decline during the term of the loan for a variety of reasons, including adverse market conditions, an economic downturn or a downward movement in real estate prices. As a result, if our customers default, we may receive less money from liquidating collateral than is owed under the relevant financing facility, and, in turn, incur losses, even where we successfully repossess and liquidate the collateral. While we require some borrowers to provide a guarantee on the basis of their profile, we may not be able to enforce or collect the amount owed under such guarantee, if at all. In addition, home construction loans may be exposed to risks related to time and cost overruns and related factors. Factors such as third party performance risks, delays in obtaining the requisite approvals, environmental risks, changes in market conditions, changes in government or regulatory policies, permits, licenses or certifications from the relevant authorities as well as shortages of, or material increases in prices of, construction materials, equipment, technical skills and labor, or other unforeseeable problems and circumstances may lead to delays in, or prevent the completion of the homes and result in costs substantially exceeding those originally budgeted, which may affect our borrowers ability to repay their loans.

- (c) ***Large scale attrition, especially at the senior management level, can make it difficult for the Issuer to manage its business.***

If the Issuer is not able to attract, motivate, integrate or retain qualified personnel at levels of experience that are necessary to maintain the Issuer's quality and reputation, it will be difficult for the Issuer to manage its business and growth. The Issuer depends on the services of its executive officers and key employees for its continued operations and growth. In particular, the Issuer's senior management has significant experience in the microfinance, banking and financial services industries. The loss of any of the Issuer's executive officers, key employees or senior managers could negatively affect its ability to execute its business strategy, including its ability to manage its rapid growth. The Issuer's business is also dependent on its team of personnel who directly manage its relationships with its members. The Issuer's business and profits would suffer adversely if a

substantial number of such personnel left the Issuer or became ineffective in servicing its members over a period of time. The Issuer's future success will depend in large part on its ability to identify, attract and retain highly skilled managerial and other personnel. Competition for individuals with such specialized knowledge and experience is intense in this industry, and the Issuer may be unable to attract, motivate, integrate or retain qualified personnel at levels of experience that are necessary to maintain its quality and reputation or to sustain or expand its operations. The loss of the services of such personnel or the inability to identify, attract and retain qualified personnel in the future would make it difficult for the Issuer to manage its business and growth and to meet key objectives.

(d) ***Issuer requires certain statutory and regulatory approvals for conducting business and failure to obtain or retain them in a timely manner, or at all, may adversely affect operations.***

NBFCs in India are subject to strict regulation and supervision by the RBI. The Issuer requires certain approvals, licenses, registrations and permissions for operating its business, including registration with the RBI as a NBFC pursuant to Section 45-IA of the RBI Act, 1934. Further, such approvals, licenses, registrations and permissions must be maintained/renewed over time, applicable requirements may change, and the Issuer may not be aware of or comply with all requirements all of the time. Additionally, RBI has issued detailed directions on prudential norms inter alia prescribing guidelines on income recognition, asset classification and provisioning requirements applicable to NBFCs, exposure norms, disclosures in the balance sheet, requirement of capital adequacy, restrictions on investments in land and building and unquoted shares besides others. In particular, the Issuer is required to obtain a certificate of registration for carrying on business as a NBFC that is subject to numerous conditions. In addition, its branches are required to be registered under the relevant shops and establishments laws of the states in which they are located. The shops and establishments laws regulate various employment conditions, including working hours, holidays and leave and overtime compensation. If the Issuer fails to obtain or retain any of these approvals or licenses, or renewals thereof, in a timely manner, or at all, its business may be adversely affected. If the Issuer fails to comply, or a regulator claims that it has not complied, with any of these conditions, the Issuer's certificate of registration may be suspended or cancelled, and it shall not be able to carry on such activities. If the Issuer fails to comply with the NBFC Directions and fails to maintain the status of NBFC it may attract penal provisions under the RBI Act, 1934 for non-compliance. The penal action can also result in RBI cancelling the Certificate of Registration issued to the NBFC.

(e) ***Economic Risk in India:***

The Issuer operates only within India and, accordingly, all of its revenues are derived from the domestic market. As a result, it is highly dependent on prevailing economic conditions in India and its results of operations are significantly affected by factors influencing the Indian economy. An uncertain economic situation, in India and globally, could result in a further slowdown in economic growth, investment and consumption. A slowdown in the rate of growth in the Indian economy could result in lower demand for credit and other financial products and services and higher defaults. Any slowdown in the growth or negative growth of sectors where the Issuer has a relatively higher exposure could adversely impact its performance. Any such slowdown could adversely affect its business, prospects, results of operations and financial condition.

9.6 TRADING OF THE NCDS MAY BE LIMITED BY TEMPORARY EXCHANGE CLOSURES, BROKER DEFAULTS, SETTLEMENT DELAYS, STRIKES BY BROKERAGE FIRM EMPLOYEES AND DISPUTES.

The Indian stock exchanges have experienced temporary exchange closures, broker defaults, settlement delays and strikes by brokerage firm employees. In addition, the governing bodies of the Indian stock exchanges have from time to time imposed restrictions on trading in certain securities, limitations on price movements and margin requirements. Furthermore, from time to time, disputes

have occurred between listed companies and stock exchanges and other regulatory bodies, which in some cases may have had a negative effect on market sentiment.

9.7 REFUSAL OF LISTING OF ANY SECURITY OF THE ISSUER DURING LAST THREE YEARS BY ANY OF THE STOCK EXCHANGES IN INDIA OR ABROAD

As on the date of this Key Information Document, no stock exchange in India or abroad has refused listing of any equity or debt security issued by the Issuer.

9.8 IN CASE OF OUTSTANDING DEBT INSTRUMENTS OR DEPOSITS OR BORROWINGS:

ANY DEFAULT IN COMPLIANCE WITH THE MATERIAL COVENANTS SUCH AS CREATION OF SECURITY

(IF ANY) AS PER TERMS AGREED: As on the date of this Key Information Document, the Issuer has not committed any default in compliance with the material covenants as per terms agreed in respect of any outstanding borrowings.

DEFAULT IN PAYMENT OF INTEREST: As on the date of this Key Information Document, the Issuer has not committed any default in payment of interest in respect of any outstanding borrowings.

DEFAULT IN REDEMPTION OR REPAYMENT: As on the date of this Key Information Document, the Issuer has not committed any default in redemption or repayment in respect of any outstanding borrowings.

NON-CREATION OF DEBENTURE REDEMPTION RESERVE: Pursuant to Rule 18 (7) of the Companies (Share Capital and Debentures) Rules, 2014, an NBFC is not presently required to maintain debenture redemption reserve for debentures issued on a private placement basis.

DEFAULT IN PAYMENT OF PENAL INTEREST WHEREVER APPLICABLE: As on the date of this Key Information Document, the Issuer has not committed any default in payment of interest penal in respect of any of its outstanding borrowings.

OTHERS: A failure to observe the covenants under the Issuer's financing arrangements or to obtain necessary consents required thereunder may lead to the termination of the Issuer's credit facilities, acceleration of all amounts due under such facilities and the enforcement of any security provided. Any acceleration of amounts due under such facilities may also trigger cross default provisions under the Issuer's other financing agreements. If the obligations under any of the Issuer's financing documents are accelerated, the Issuer may have to dedicate a substantial portion of the Issuer's cash flow from operations to make payments under such financing documents, thereby reducing the availability of cash for the Issuer's working capital requirements and other general corporate purposes. Further, during any period in which the Issuer is in default, the Issuer may be unable to raise, or face difficulties raising, further financing. Any of these circumstances could adversely affect the Issuer's business, credit rating and financial condition, cash flows and results of operations. If the Issuer fails to meet its debt service obligations or covenants provided under the financing agreements, the relevant lenders could declare the Issuer to be in default under the terms of the Issuer's agreements or accelerate the maturity of the Issuer's obligations. The Issuer cannot assure the Investors that, in the event of any such acceleration, the Issuer will have sufficient resources to repay the borrowings.

Rationale

Infomerics has assigned/upgraded the ratings on the debt instruments/bank facilities of Regency Fincorp Limited (RFL). The rating upgrade reflects the company's successful strategic shift towards secured MSME lending, which has resulted in a healthier portfolio composition, robust AUM expansion, improved profitability and operating efficiency, and a stronger capital base supported by periodic equity infusions. The upgrade is further supported by the company's diversified funding profile, demonstrated ability to raise resources from multiple lenders, and its growing market position in the MSME lending segment.

The ratings continue to derive strength from the experienced management team, established credit appraisal and risk management framework, granular borrower profile, comfortable

Press Release

capitalisation supported by a strong CRAR, adequate liquidity position with a well-matched ALM profile, and healthy asset quality indicators.

However, the ratings remain constrained by the company's moderate scale of operations, geographical concentration of the loan portfolio, and the limited seasoning of the rapidly growing secured MSME portfolio. The ratings also factor in the competitive nature of the MSME lending industry and execution risks associated with the company's planned business expansion.

Outlook: Stable

The Stable outlook reflects the company's ability to sustain growth while maintaining comfortable capitalisation, healthy profitability, and prudent asset quality, supported by its secured MSME focus and strong risk management framework.

Key Rating Drivers with Detailed Description

Strengths

- **Successful transition towards secured MSME lending**

The company has successfully executed its strategic transition towards secured MSME lending during FY26. The share of secured MSME loans increased significantly to 61.05% of the total AUM as on March 31, 2026, from 17.75% as on March 31, 2025, while the share of the legacy JLG portfolio declined to 10.73% in FY26 from 17.25% in FY25. With fresh JLG disbursements discontinued, future business growth is expected to be driven primarily by secured MSME lending, supplemented by digital lending initiatives.

This shift in portfolio composition is expected to strengthen the company's overall credit profile by improving collateral coverage and reducing portfolio risk over the medium term. Going forward, the performance and seasoning of the expanding secured MSME book alongside the maintenance of healthy asset quality metrics which will remain a key rating monitorable.

Press Release

- **Improvement in profitability and operating efficiency**

The company has demonstrated strong business growth and improving operating performance, driven by its strategic shift towards secured MSME lending, deployment of capital raised through periodic equity infusions, and expansion of its distribution network. Consequently, the on-book AUM increased by 53.38% to Rs.261.23 crore as on March 31, 2026, from Rs.170.18 crore as on March 31, 2025, and further increased to Rs.345.24 crore as on June 30, 2026, reflecting sustained business momentum. The higher share of interest-earning assets, coupled with improved lending spreads and operating leverage arising from the rapid scale-up of operations, resulted in improvement in profitability. Accordingly, NIM improved to 11.72% in FY26 from 8.27% in FY25, while cost-to-income ratio improved to 34.03% in FY26 from 49.52% in FY25. The stronger operating performance also translated into an improvement in ROTA to 4.95% (FY25: 2.68%) and RONW to 9.42% (FY25: 5.78%). Going forward, the company's ability to sustain its profitability while maintaining asset quality amid its planned business expansion will remain a key rating monitorable.

- **Comfortable capitalisation**

RFL's capitalisation profile continues to remain comfortable, marked by an overall CRAR of 57.62% as on March 31, 2026 (March 31, 2025: 64.35%), which remains above the regulatory requirement backed with robust business growth during the year. The company's tangible net worth increased to Rs.160.50 crore as on March 31, 2026, from Rs.121.84 crore as on March 31, 2025, supported by conversion of preferential warrants into equity shares and healthy internal accruals. The company has already raised Rs.25 crore through CCDs during Q1FY27 and proposes to raise an additional Rs.50–75 crore through equity during FY27 to support its planned business expansion while maintaining comfortable capitalisation. Infomerics Ratings expects the company's capital profile to remain comfortable over the medium term, supported by timely capital augmentation.

Press Release

- **Comfortable asset quality**

Despite the loan portfolio increasing by 53.38% during FY26, the company's asset quality remained comfortable, with GNPA and NNPA at 0.99% and 0.74%, respectively, as on March 31, 2026 (FY25: 0.42% and 0.32%). Product-wise analysis indicates that around 81% of the total GNPA originates from the legacy JLG portfolio despite it constituting only around 11% of the total AUM, while the newly built secured MSME portfolio has so far exhibited satisfactory asset quality. Going forward, the company's ability to maintain healthy asset quality as the secured MSME portfolio seasons will remain a key rating monitorable.

Weaknesses

- **Moderate scale of operations despite healthy business growth**

Despite registering healthy business growth during FY26, the company's scale of operations remains moderate compared with established NBFC peers, with an on-book AUM of Rs.261.23 crore as on March 31, 2026 (March 31, 2025: Rs.170.18 crore). The relatively moderate scale limits operating efficiencies, funding diversification and pricing flexibility compared with larger NBFCs. Although the company has demonstrated strong execution over the last two years, the projected scale-up in operations would require sustained access to capital, diversified funding sources and continued maintenance of prudent underwriting standards and asset quality. The company's ability to achieve the envisaged growth while preserving its profitability and capitalisation profile will remain a key rating monitorable.

- **Moderate geographical concentration**

The company's portfolio continues to exhibit moderate geographical concentration, with Punjab (24.30%), Chandigarh (22.37%) and Delhi (19.71%) together accounting for around ~66% of the total AUM as on March 31, 2026. Such concentration exposes the portfolio to region-specific economic conditions, competitive intensity and regulatory developments, which could have an adverse impact on business growth and asset quality. Although the company has gradually diversified its presence into Haryana, Uttar Pradesh and Uttarakhand during FY26, the portfolio continues to be concentrated

Press Release

in North India. The company's ability to further diversify its geographical profile while maintaining healthy portfolio quality will remain a key rating monitorable.

- **Limited seasoning of expanding secured MSME portfolio**

The secured MSME portfolio increased significantly from Rs 30.20 crore as on March 31, 2025, to Rs 159.47 crore as on March 31, 2026. While the portfolio has demonstrated satisfactory asset quality so far, a substantial portion of the book remains relatively unseasoned. Accordingly, its repayment behaviour and asset quality performance over the next few quarters will remain a key monitorable.

Liquidity – Adequate

RFL's liquidity profile is adequate, supported by comfortable capitalisation, a well-matched ALM profile and access to bank working capital lines. The ALM statement as on March 31, 2026, reflected no negative cumulative mismatches up to the 5-year bucket. Free cash and cash equivalents stood at Rs. 13.33 crore as on March 31, 2026 (cash and bank balances: Rs 11.23 crore; liquid investments: Rs 1.42 crore; unutilised bank limits: Rs. 0.68 crore). However, given the company's rapid business expansion, growth continues to be primarily funded through external borrowings, with average working capital utilisation remaining at around 77% over the trailing 12 months.

Rating Sensitivities:

Upward Factors

- Sustained growth in the loan portfolio while maintaining comfortable asset quality, profitability and capitalisation, along with continued diversification of the geographical profile and successful seasoning of the secured MSME portfolio.

Downward Factors

- Substantial and sustained deterioration in asset quality, leading to weakening of profitability or capitalisation.
- Lower-than-expected business growth, inability to raise capital or mobilise funding as envisaged, or any significant increase in leverage that adversely impacts the company's financial profile.

16. **AUTHORIZATION AND CONSENTS**

All actions (including corporate actions), conditions and things required to be taken, fulfilled and done (including the obtaining of any consents (if applicable) by the Company in order (a) to enable it to lawfully enter into, exercise its rights and perform and comply with its obligations under this Agreement, (b) to ensure that those obligations are legally binding and enforceable, and (c) to make this Agreement admissible in evidence in the courts of India have been taken, fulfilled and done in strict compliance with all Applicable Laws.

Any payment in respect of the Debentures required to be made by the Debenture Trustee to a Debenture Holder (who is a foreign portfolio investor) at the time of enforcement would, if required by Applicable Law, be subject to the prior approval of Reserve Bank of India for such remittance through an authorised dealer. The Company / relevant Debenture Holder shall obtain all such approvals, if required, to ensure prompt and timely payments to the said Debenture Holder.

17. **DECLARATIONS**

The Company hereby declares / confirms that:

- (a) The information and data furnished and/or to be furnished by the Company to the Debenture Trustee is true and correct and was/is not misleading whether by reason of omission to state a material fact or otherwise and the Debenture Trustee may in good faith rely upon such information and data and the Debenture Trustee shall not be liable for any act or omission made while relying on such information furnished to it under this Agreement. Provided nevertheless that nothing contained in this **Clause (a)** shall exempt the Debenture Trustee from or indemnify it against any liability for negligence, breach of trust or willful default as determined by a court of competent jurisdiction nor any liability which by virtue of any rule or law would otherwise attach to it in respect of any negligence, willful default or breach of trust which they may be guilty in relation to their duties thereunder;
- (b) The assets on which the charge is proposed to be created to secure the Debentures are free from encumbrances and no consents and approvals are required by the Company from any of its creditors or any Governmental Authority or any other person for the creation of security interest in accordance with the Transaction Documents;
- (c) The Company undertakes to take adequate steps to ensure that on or before the Deemed Date of Allotment, the security shall be sufficient to discharge the claims of the Debentures Holders as and when they become due.
- (d) The Company shall on or prior to the date of execution of Debenture Trust Deed, provide to the Debenture Trustee, the bank account details from which the Company proposes to make the payment of redemption amount and interest amount in relation to the Debentures due to the Debenture Holder(s). Further, the Company hereby undertakes that it shall preauthorize

the Debenture Trustee to seek the redemption amount payment and interest amount payment related information from such bank.

18. **BENEFIT OF AGREEMENT**

This Agreement shall enure to the benefit of and be binding on the Parties and their respective successors and permitted assigns of each Party.

19. **EXPENSES**

The Company shall pay on demand to the Debenture Trustee, all actual costs and expenses (including legal fees on a full indemnity basis) incurred by the Debenture Trustee in connection with the preparation, negotiation of or entry into this Agreement and/or any amendment of, supplement to or waiver in respect of this Agreement, against submission of the requisite supporting documents. Apart from the Debenture Trustee Fees, the Company shall, from time to time, make payment to/ reimburse the Debenture Trustee in respect of all reasonable expenses and out-of-pocket costs incurred by the Debenture Trustee.

20. **STAMP DUTY**

The Company shall promptly pay, and in any event before any interest or penalty becomes payable, any stamp, documentary, registration or similar tax payable in connection with the entry into, registration, performance, enforcement or admissibility in evidence of this Agreement and/or any such amendment, supplement or waiver.

21. **CONFIDENTIALITY**

- (a) The information received by any of the Parties to this Agreement relating to the other Party (hereinafter referred to as "**Confidential Information**") shall be kept in the strictest confidence and shall not be divulged or disclosed to any person, other than such of the directors, officers, employees, advisors and accountants of the recipient Party on a need to know basis in accordance with the intent and purpose of this Agreement, provided always that each such person to whom Confidential Information is disclosed shall have been made aware of its confidential nature prior to such disclosure by the disclosing Party expressly marking or stating as confidential such Confidential Information and each such person to whom the Confidential Information is disclosed shall also keep the same in the strictest confidence and shall not divulge or disclose the same to any other person.
- (b) The restriction set forth in **Clause 21 (Confidentiality)** of this Agreement herein shall not apply to any part of the Confidential Information, which:
 - A. is known at the time of disclosure to the recipient Party, or thereafter, becomes part of the public domain, other than as a result of the acts or omissions of the recipient Party, its directors, officers or employees; or

- B. is required to be disclosed by judicial, administrative or stock exchange process, any enquiry, investigation, action, suit, proceeding or claim or otherwise by applicable law or by any other regulatory authority; or
- C. is required to be disclosed by the Company or the Debenture Trustee to the Debenture Holder(s) or to a rating agency or any other third party pursuant to the terms of the Debenture Trust Deed or other documents executed pursuant thereto.

22. GOVERNING LAW AND JURISDICTION

- (a) The Debentures and this Agreement are governed by and shall be construed in accordance with the laws of India.
- (b) The Parties agrees that the courts and tribunals in New Delhi shall have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Agreement and that accordingly any suit, action or proceedings (together referred to as "**Proceedings**") arising out of or in connection with this Agreement may be brought in such courts or the tribunals and the Company irrevocably submits to and accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of those courts or tribunals.
- (c) Without prejudice to sub-clause (b) above, all claims, differences or disputes between the Debenture Trustee and the Company, arising out of or in relation to the activities of the Debenture Trustee in the securities market shall be submitted to a resolution mechanism that includes mediation and/or conciliation and/or arbitration, in accordance with the procedure specified by the SEBI pursuant to the SEBI (Alternative Dispute Resolution Mechanism) (Amendment) Regulations, 2023 read with SEBI Master Circular for Online Resolution of Disputes in the Indian Securities Market dated July 31, 2023 (as updated from time to time) bearing reference no. SEBI/HO/OIAE/OIAE_IAD-3/P/CIR/2023/195 and guidance issued by the BSE and the relevant depositories from time to time. Provided that this sub-clause shall not apply to any rights of the Debenture Holders which are to be exercised through the Debenture Trustee.
- (d) The Company irrevocably waives any objection now or in future, to the laying of the venue of any Proceedings in the courts and tribunals at New Delhi and any claim that any such Proceedings have been brought in an inconvenient forum and further irrevocably agrees that a judgment in any Proceedings brought in the courts and tribunals at New Delhi shall be conclusive and binding upon them and may be enforced in the courts of any other jurisdiction, (subject to the laws of such jurisdiction) by a suit upon such judgment, a certified copy of which shall be conclusive evidence of such judgment, or in any other manner provided by law.
- (e) The Company hereby consents generally in respect of any Proceedings arising out of or in connection with this Agreement to the giving of any relief or the

issue of any process in connection with such Proceedings including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such Proceedings.

- (f) To the extent that the Company may in any jurisdiction claim for itself or its assets immunity from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process and to the extent that in any such jurisdiction there may be attributed to itself or its assets such immunity (whether or not claimed), the Company hereby irrevocably agrees not to claim and hereby irrevocably waives such immunity.
- (g) This **Clause 22** shall survive the termination of this Agreement.

23. **WAIVER**

No failure by any Party to exercise, nor any delay by any Party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy, prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies herein provided are cumulative and not exclusive of any rights or remedies provided by and available under Applicable Law or the Debenture Trust Deed or the other documents executed pursuant thereto.

No notice to or demand on any Party in any case shall entitle that Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the other Party to any other or further action in any circumstances without notice or demand.

24. **COMMUNICATIONS**

- (a) Unless otherwise stated, all notices, approvals, instructions and other communications for the purposes of this Agreement may be given by e-mail, by personal delivery or by sending the same by prepaid registered mail addressed to the Party concerned at its address stated in the title of this Agreement or the fax numbers set out below or the email address set out below and/or any other address subsequently notified to the other Party with a period of 4 (Four) Business Days from any change thereof, for the purposes of this **Clause 24** and shall be deemed to be effective (a) if delivered personally, when delivered; (b) if sent by courier or registered post acknowledgement due, 1 (One) Business Day after deposit with a courier/ or post office; and (c) if sent by electronic mail, forthwith in case no delivery failure is received. Any Party may from time to time change its address for the purpose of notices to that Party by giving a similar notice specifying a new address, but no such notice will be deemed to have been given until it is actually received by the Party sought to be charged with the contents thereof.

INDEPENDENT AUDITOR'S REPORT

To
The Members of Regency Fincorp Limited
(Previously known as **Regency Investment Limited**)
Report on the Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Regency Fincorp Limited (previously known as Regency Investment Limited) for the year ended as at March 31, 2024, which comprise the Balance Sheet as at 31st March 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information, attached herewith, being submitted by the company pursuant to the requirements of regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, as amended ("Listing Regulation").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net profit/loss and other comprehensive income and other financial information for the period from April 1st 2023 to March 31, 2024.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key audit matter	Auditor's Response
1	Judgments used in projecting economic scenarios and probability weights applied to reflect future economic conditions; and	* completeness, accuracy and appropriateness of information used in the estimation of the PD and LGD for the different stages depending on the nature of the portfolio
2	Information Technology and General Controls: The Company is dependent on its Information Technology (IT) systems due to the significant number of transactions that are processed daily across such multiple and discrete IT systems. Also, IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner and under controlled environments.	With the assistance of our IT specialists, we obtained an Understanding of the Company's IT applications, databases and operating systems relevant to financial reporting and the control environment. For these elements of the IT infrastructure the areas of our focus included access security (including controls over privileged access), program change controls, database management and network operations. In particular:

Sr. No.	Key audit matter	Auditor's Response
	Appropriate controls contribute to mitigating the risk of potential fraud or errors as a result of changes to applications and data. On account of the pervasive use of its IT systems, the testing of the general computer controls of the IT systems used in financial Reporting was considered to be a Key Audit Matter.	* We tested the design, implementation, and operating effectiveness of the Company's general IT controls over the IT systems relevant to financial reporting. This included evaluation of Company's controls over segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of aLL users being recertified during the period of audit.
		We also tested key automated business cycle controls and Logic for the reports generated through the IT infrastructure that were relevant for financial reporting or were used in the exercise of internal financial controls with reference to financial statements. Our tests included testing of the compensating controls or alternate procedures to assess whether there were any unaddressed IT risks that would materiality impact the Financial Statements.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("The Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- iv. Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our

opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- v. Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report (including annexure thereto), Business Responsibility and sustainability report and Management Discussion and Analysis (MD&A") (collectively referred to as other information"), but does not include the financial statements and our auditor's report thereon. The Other Information is expected to be made available to us after the date of our auditor's report.

- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable Laws and regulations.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure - B to the Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Regency Investments Limited ("the Company") as of 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. These Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

REGENCY FINCORP LIMITED

NOTES FORMING PART OF ACCOUNTS

Note No. 24 CORPORATE INFORMATION

Regency Fincorp Limited an Indian Company incorporated on 29.03.1993, under the provisions of Companies Act, 1956, having its registered office at Unit No. 57-58, 4th Floor, Sushma Infinium Chandigarh-Ambala Highway, Zirakpur, Mohali PB 140603. The Company is registered with the Reserve Bank of India ("RBI") as a Non-Systemically Important Non-Deposit Taking Non-Banking Financial Company (NBFC) and the Company is also listed on Main Board of Bombay Stock Exchange Ltd. (BSE), Mumbai.

The Company is engaged in lending and allied activities. The Company provide customer-centric financial services, mainly in the form of micro-credit, to the women entrepreneurs and MSMEs of the country. Through our products and services, we aim at empowering the economically active households and MSMEs to grow their businesses and thus improve their overall quality of lives.

Note No. 25 STATEMENTS OF SIGNIFICANT ACCOUNTING POLICIES BASIS OF PREPARATION OF FINANCIAL STATEMENTS

1. Compliance with IND-AS

The financial statements of the Company comply in all material aspects with Indian Accounting Standards ('Ind-AS') notified under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act. Any directions issued by the RBI or other regulators are implemented as and when they become applicable.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard

requires a change in the accounting policy hitherto in use.

2. Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are presented in the format prescribed under Division III of Schedule III of the Act, as amended from time to time, for Non-Banking Financial Companies ('NBFCs') that are required to comply with Ind-AS. The Statement of Cash Flows has been presented as per the requirements of Ind-AS 7 Statement of Cash Flows.

3. Basis of preparation

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments and plan assets of defined benefit plans, which are measured at fair values at the end of each reporting period as explained in the accounting policies below. All amounts disclosed in the financial statements and notes have been rounded off to the nearest INR (amount in Lakhs shown) in compliance with Schedule III of the Act, unless otherwise stated.

4. Use of Estimates

The preparation of financial statements in conformity with Ind-AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities) and disclosures as of the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. Actual results could differ from these estimates. Accounting estimates and underlying assumptions are reviewed on an ongoing basis and could change from period to period. Appropriate changes in estimates are recognized in the periods in which the Company becomes aware of the changes in circumstances surrounding the estimates. Any revisions to accounting estimates are recognized prospectively in the period in which the estimate is revised and future periods. The estimates and judgements that have a significant impact on the carrying amount of assets and liabilities at each balance sheet date.

5. Date of recognition of Financial Instruments

Financial assets and financial liabilities are recognized in the Company's balance sheet

when the Company becomes a party to the contractual provisions of the instrument.

6. Impairment of Financial Assets

The Company applies the ECL (Expected Credit Loss) model in accordance with Ind- AS 109 for recognizing impairment loss on Financial Assets. The ECL allowance is based on the credit losses expected to arise from all possible default events over the expected life of the Financial Asset ('lifetime ECL') unless there has been no significant increase in credit risk since origination. ECL is calculated on a collective basis, considering the retail nature of the underlying portfolio of financial assets.

The impairment methodology applied depends on whether there has been a significant increase in credit risk. When determining whether the risk of default on a financial asset has increased significantly since initial recognition, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on a provision matrix which takes into account the Company's historical credit loss experience, current economic conditions, forward-looking information and scenario analysis. The expected credit loss is a product of exposure at default ('EAD'), probability of default ('PD') and loss given default ('LGD'). The Company has evaluated the PD and LGD based on the management's best estimate in accordance with Ind-AS 109.

7. Financial Liabilities

Financial liabilities are measured at amortized cost. The carrying amounts are determined. Interest expense is recognized in the statement of profit and loss.

Any gain or loss on de-recognition of financial liabilities is also recognized in the statement of profit and loss.

Undrawn loan commitments are not recorded in the balance sheet.

8. Write Offs

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no reasonable expectation of recovering the asset in its entirety or a portion thereof. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to

repay the amounts subject to the write-off.

During the year, the Company has written off the loan assets worth Rs 17.62 Lakhs on account of shortfall in insurance in case of death cases and Rs. 29.58 lakh due to Loss Assets.

9. Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation because of past events, and it is probable that there will be an outflow of resources.. The details are as Follows:

S. No.	Name of the Party	Amount O/s as on 31.03.2024 (In Lakhs)	Legal Proceedings	Remarks if any
1.	Manhar Logistics Private Limited	135.99	NCLT	Provision for Doubtful debts has been created under Long Term Loans and Advances

10. Cash and cash equivalents

Cash and cash equivalents include cash at banks and on hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less/ more that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

11. Property, plant, and equipment as per Ind-AS 16

a. Recognition and measurement

Tangible property, plant and equipment are stated at cost less accumulated depreciation and impairment if any. The cost of property, plant and equipment comprise purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Cost of assets not put to use before such date are disclosed under Capital work-in-progress.

b. Subsequent expenditure

Subsequent expenditure incurred on assets put to use is capitalized only when it increases the future economic benefits / functioning capability from / of such assets.

c. Depreciation estimated useful lives and residual value.

Depreciation is calculated using the straight-line method to write down the cost of property and equipment to their residual values over their estimated useful lives in the manner prescribed in Schedule II of the Act.

The Company uniformly estimates a five percent residual value for all these assets. Items costing less than 5,000 are fully depreciated in the year of purchase. Depreciation is pro-rated in the year of acquisition as well as in the year of disposal.

The residual values, useful lives, and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Changes in the expected useful life are accounted for by changing the depreciation period or methodology, as appropriate, and treated as changes in accounting estimates.

12. Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable. Amounts disclosed as revenue are net of goods and services tax ('GST') wherever applicable and amounts collected on behalf of third parties.

Specific policies for the Company's different sources of revenue are explained below:

a. **Income from lending business**

Interest Income

Interest income on a financial asset at amortized cost is recognized on a time proportion basis considering the amount outstanding and the effective interest rate ('EIR'). The EIR is the rate that exactly discounts estimated future cash flows of the financial asset through the expected life of the financial asset or, where appropriate, a shorter period, to the net carrying amount of the financial instrument. The internal rate of return on financial asset after netting off the fees received, and cost incurred approximates the effective interest rate of return for the financial asset. The future cash flows are estimated considering all the contractual terms of the instrument.

Other financial charges

Cheque bouncing charges, late payment charges and prepayment charges are recognized on a point-in- time basis and are recorded when realized since the probability of collecting such monies is established when the customer pays.

13. **Goods and services tax paid on acquisition of assets or on incurring expenses.**

Expenses and assets are recognized net of the goods and services tax paid, except when the tax incurred on a purchase of assets or services is not recoverable from the tax authority, in which case, the tax paid is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

The net amount of tax recoverable from, or payable to, the tax authority is included as part of receivables or payables, respectively, in the balance sheet.

Further being an NBFC Company, the Company has followed the policy to availed only 50% input credit of GST on all expenses as well as on Capital Goods Purchased and the remaining 50% will be lapsed as per Rule No. 3 of ITC of GST.

14. **Income tax**

a. **Current tax**

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 in respect of taxable income for the year and any adjustment to the tax payable or receivable in respect of previous years.

b. **Deferred tax**

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

15. **Earnings Per Share**

The Company reports basic and diluted earnings per equity share as per Ind-AS 33. Basic earnings per equity share have been computed by dividing net profit / loss attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share have been computed by dividing the net profit attributable to the equity shareholders after giving impact of dilutive potential equity shares for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

Note No. 26 Reporting Segment

As the company is engaged in a single segment i.e., Financial Activities/Services, hence there is no separate reportable segment as per IndAS 108.

Note No. 27 Details of Single Borrower Limits (SBL)/Group Borrower Limits (GBL) exceeded.

The Company has not exceeded the single borrower limits/group borrower limits as set as by Reserve Bank of India.

Note No. 28 Capital Management

The primary objective of the Company's capital management policy is to ensure compliance with regulatory capital requirements. In line with this objective, the Company ensures adequate capital at all the times and manages its business in a way in which capital is protected, satisfactory business growth is ensured, cash flows are monitored, borrowing covenants are honored and ratings are maintained.

Regulatory capital-related information is presented as part of the RBI mandated disclosures. The RBI norms require capital to be maintained at prescribed levels. Annexure-B to the Auditors' Report of TO THE MEMBERS OF REGENCY FINCORP LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **REGENCY FINCORP LIMITED** as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by

ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

REGENCY FINCORP LIMITED

Note No. 1 CORPORATE INFORMATION

Regency Fincorp Limited an Indian Company incorporated on 29.03.1993, under the provisions of Companies Act, 1956, having its registered office at Unit No. 57-58, 4th Floor, Sushma Infinium Chandigarh-Ambala Highway, Zirakpur, Mohali PB 140603. The Company is registered with the Reserve Bank of India ("RBI") as a Non-Systemically Important Non-Deposit Taking Non-Banking Financial Company (NBFC) and the Company is also listed on Main Board of Bombay Stock Exchange Ltd. (BSE), Mumbai.

The Company is engaged in lending and allied activities. The Company provides customer-centric financial services, mainly in the form of micro-credit, to the women entrepreneurs and MSMEs of the country. The credit extended is utilized majorly in agriculture and allied activities as well as in small businesses. Through our products and services, we aim at empowering the economically active households and MSMEs to grow their businesses and thus improve their overall quality of lives.

Note No. 2 STATEMENTS OF SIGNIFICANT ACCOUNTING POLICIES BASIS OF PREPARATION OF FINANCIAL STATEMENTS

1. Compliance with IND-AS

The financial statements of the Company comply in all material aspects with Indian Accounting Standards ('Ind-AS') notified under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act. Any directions issued by the RBI or other regulators are implemented as and when they become applicable.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

2. Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are presented in the format prescribed under Division III of Schedule III of the Act, as amended from time to time, for Non-Banking Financial Companies ('NBFCs') that are required to comply with Ind-AS. The Statement of Cash Flows has been presented as per the requirements of Ind-AS 7 Statement of Cash Flows.

3. Basis of preparation

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments and plan assets of defined benefit plans, which are measured at fair values at the end of each reporting period as explained in the accounting policies below. All amounts disclosed in the financial statements and notes have been rounded off to the nearest INR (amount in Lakhs shown) in compliance with Schedule III of the Act, unless otherwise stated.

4. Use of Estimates

The preparation of financial statements in conformity with Ind-AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities) and disclosures as of the date of the financial statements and the reported amounts of revenues and

expenses for the reporting period. Actual results could differ from these estimates. Accounting estimates and underlying assumptions are reviewed on an ongoing basis and could change from period to period. Appropriate changes in estimates are recognized in the periods in which the Company becomes aware of the changes in circumstances surrounding the estimates. Any revisions to accounting estimates are recognized prospectively in the period in which the estimate is revised and future periods. The estimates and judgements that have a significant impact on the carrying amount of assets and liabilities at each balance sheet date.

5. Date of recognition of Financial Instruments

Financial assets and financial liabilities are recognized in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

6. Impairment of Financial Assets

The Company applies the ECL (Expected Credit Loss) model in accordance with Ind- AS 109 for recognizing impairment loss on Financial Assets. The ECL allowance is based on the credit losses expected to arise from all possible default events over the expected life of the Financial Asset ('lifetime ECL') unless there has been no significant increase in credit risk since origination. ECL is calculated on a collective basis, considering the retail nature of the underlying portfolio of financial assets.

The impairment methodology applied depends on whether there has been a significant increase in credit risk. When determining whether the risk of default on a financial asset has increased significantly since initial recognition, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This

includes both quantitative and qualitative information and analysis based on a provision matrix which takes into account the Company's historical credit loss experience, current economic conditions, forward-looking information and scenario analysis. The expected credit loss is a product of exposure at default ('EAD'), probability of default ('PD') and loss given default ('LGD'). The Company has evaluated the PD and LGD based on the management's best estimate in accordance with Ind-AS 109.

7. Financial Liabilities

Financial liabilities are measured at amortized cost. The carrying amounts are determined. Interest expense is recognized in the statement of profit and loss.

Any gain or loss on de-recognition of financial liabilities is also recognized in the statement of profit and loss.

Undrawn loan commitments are not recorded in the balance sheet.

8. Write Offs

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no reasonable expectation of recovering the asset in its entirety or a portion thereof. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off.

During the year, the Company has written off the loan assets worth Rs 2.73 Lacs on account of shortfall in insurance in case of death cases an Rs. 40.17 lacs due to Loss Assets.

9. **Provisions, Contingent Liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation because of past events, and it is probable that there will be an outflow of resources.

10. **Cash and cash equivalents**

Cash and cash equivalents include cash at banks and on hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less/ more that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

11. **Property, plant, and equipment as per Ind-AS 16**

a. **Recognition and measurement**

Tangible property, plant and equipment are stated at cost less accumulated depreciation and impairment if any. The cost of property, plant and equipment comprise purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Cost of assets not put to use before such date are disclosed under Capital work-in-progress.

b. **Subsequent expenditure**

Subsequent expenditure incurred on assets put to use is capitalized only when it increases the future economic benefits / functioning capability from / of such assets.

c. **Depreciation estimated useful lives and residual value.**

Depreciation is calculated using the straight-line method to write down the cost of property and equipment to their residual values over their estimated useful lives in the manner prescribed in Schedule II of the Act.

The Company uniformly estimates a five percent residual value for all these assets. Items costing less than 5,000 are fully depreciated in the year of purchase. Depreciation is pro-rated in the year of acquisition as well as in the year of disposal.

The residual values, useful lives, and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Changes in the expected useful life are accounted for by changing the depreciation period or methodology, as appropriate, and treated as changes in accounting estimates.

12. **Revenue Recognition**

Revenue is measured at fair value of the consideration received or receivable. Amounts disclosed as revenue are net of goods and services tax ('GST') wherever applicable and amounts collected on behalf of third parties.

Specific policies for the Company's different sources of revenue are explained below:

a. **Income from lending business**

Interest Income

Interest income on a financial asset at amortized cost is recognized on a time proportion basis considering the amount outstanding and the effective interest rate ('EIR'). The EIR is the rate that exactly discounts estimated future cash flows of the financial asset through the expected life of the financial asset or, where appropriate, a shorter period, to the net carrying amount of the financial instrument. The internal rate of return on financial asset after netting off the fees received, and cost incurred approximates the effective interest rate of return for the financial asset. The future cash flows are estimated considering all the contractual terms of the instrument.

Other financial charges

Cheque bouncing charges, late payment charges and prepayment charges are recognized on a point-in-time basis and are recorded when realized since the probability of collecting such monies is established when the customer pays.

13. **Goods and services tax paid on acquisition of assets or on incurring expenses.**

Expenses and assets are recognized net of the goods and services tax paid, except when the tax incurred on a purchase of assets or services is not recoverable from the tax authority, in which case, the tax paid is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

The net amount of tax recoverable from, or payable to, the tax authority is included as part of receivables or payables, respectively, in the balance sheet.

Further being an NBFC Company, the Company has followed the policy to availed only 50% input credit of GST on all expenses as well as on Capital Goods Purchased and the remaining 50% will be lapsed as per Rule No. 3 of ITC of GST.

14. **Income tax**

a. **Current tax**

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 in respect of taxable income for the year and any adjustment to the tax payable or receivable in respect of previous years.

b. **Deferred tax**

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

15. **Earnings Per Share**

The Company reports basic and diluted earnings per equity share as per Ind-AS 33. Basic earnings per equity share have been computed by dividing net profit / loss attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share have been computed by dividing the net profit attributable to the equity shareholders after giving impact of dilutive potential equity shares for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

Note No. 3 Reporting Segment

As the company is engaged in a single segment i.e., Financial Activities/Services, hence there is no separate reportable segment as per Ind AS 108.

Note No. 4 Details of Single Borrower Limits (SBL)/Group Borrower Limits (GBL) exceeded.

The Company has not exceeded the single borrower limits/group borrower limits as set as by Reserve Bank of India.

Note No. 5 Capital Management

The primary objective of the Company's capital management policy is to ensure compliance with regulatory capital requirements. In line with this objective, the Company ensures adequate capital at all the times and manages its business in a way in which capital is protected, satisfactory business growth is ensured, cash flows are monitored, borrowing covenants are honored and ratings are maintained.

Regulatory capital-related information is presented as part of the RBI mandated disclosures. The RBI norms require capital to be maintained at prescribed levels. In accordance with such norms, Tier I capital of the Company comprises of share capital, reserves and surplus. Tier II capital comprises of Share Premium, Statutory Reserves and money received against Share Warrants. There were no changes in the capital management process during the periods presented.

These standalone financial results have been compiled from the interim standalone financial statements. The NBFC's Board of Directors are responsible for the preparation of these standalone financial results that give a true and fair view of the net profit and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) 'Interim Financial Reporting' specified under Section 133 of the Act, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ('RBI Guidelines') and other accounting principles generally accepted in India, and in compliance with Section 133 of the Act read with Regulation 33 and Regulation 52 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the NBFC and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the NBFC's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the NBFC or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the NBFC's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the NBFC's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the NBFC's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the NBFC to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Annexure-B to the Auditors' Report of TO THE MEMBERS OF REGENCY FINCORP LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **REGENCY FINCORP LIMITED** as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
